A UK premiere of Korean artists Geumhyung Jeong's work **7 Ways** will be performed at Aberystwyth Arts Centre on Tuesday 10<sup>th</sup> November at 7.30pm.

**7 Ways** is an extraordinary performance in which one stage artist encounters a series of objects that become companions for a mesmerising study of the potential for a body to transform and be transformed by desire, fantasy and possibility. A vacuum cleaner, the epic voyage of a tall ship, a mannequin, dark shapes, love affairs and objects that become characters are here all presented in a captivating choreography of mind and body.

*"a reminder of how fantastical, magical and disturbing a form [puppetry] can be.. Jeong's brilliant performance."* THERON SCHMIDT - REAL TIME (AUSTRALIA)
