PRESS RELEASE

Wheeler Street
8pm, 15 March 2009

Wheeler Street performs at Aberystwyth Arts Centre on Sunday 15th March, 8pm.

Wheeler Street are a young seven piece hi-energy folk band that rock.

Their music is rooted in some of the oldest songs of Britain but infused with a youthful energy. Their punkish self-confidence and fearless arena-rock abandon creates a raw and immediate performance. The explosive energy of their work is utterly enthralling and will leave audiences clamouring for more.

Wheeler Street are all aged between 16 and 20 and have a passion for folk music. All the band members have played music from an early age, acquiring instrumental skills which belie their ages, covering a breadth of instruments from the violin to the bouzouki. Despite the band having been together for barely 18 months they have already made a dramatic impact and have toured extensively throughout Britain. Wheeler Street released their debut album on 2nd February.

Tickets for this production are £8 (£7) and can be booked by contacting the Arts Centre ticket office on 01970 62 32 32 or online at www.aber.ac.uk/artscentre
