Press Release

TOP COMEDIAN ANDY PARSONS PRESENTS HIS NEW SHOW 'CITIZENS!' AT ABERYSTWYTH ARTS CENTRE

Weds 25 February 2009 8pm

Information begins....

From BBC 2's *Mock the Week & Q.I.*, BBC1's *Live At The Apollo*, Radio 2's *Parsons and Naylor's Pull-Out Sections* and star of The Comedy Store's 'Cutting Edge,' **Andy Parsons** is back with a brand new show for 2009. And the tour brings him to Aberystwyth Arts Centre on Weds 25 February at 8pm.

Andy's delivery and style are unique and his jokes are clever, substantial and beautifully crafted. And very, very funny. This is political comedy without the leaflet, satire without the lecture, ridicule without the sanctimony - all brushed with a bit of showbiz glitter. He promises that audiences will leave fulfilled, energised, emotionally uplifted and, maybe, a little bit giddy!

"Perfectly calibrated.. the King of Political Comedy" *The Guardian*

"Laugh out loud funny...manages to be utterly likeable and very funny while being Mr. Angry at the state of the world." *The Sunday Telegraph*

"Terrific satirical stand-up" *Independent on Sunday*

"What he lacks in hair, Parsons more than makes up for in originality"
The Daily Telegraph

Tickets for the Aberystwyth show are £15 and are available by calling the ticket office on 01970 62 32 32 or online at www.aber.ac.uk/artscentre
